

November 20, 2008

Dear Exhibitor:

It is time to begin planning for Pennsylvania's 32<sup>nd</sup> Annual Statewide EMS Conference! Due to last year's successful turnout, the Holiday Inn Harrisburg/Hershey in Grantville, PA will once again host the conference. This year's conference will be held August 11-15, 2009 with core conference sessions starting on the 13<sup>th</sup>. We are pleased to announce, in response to comments from the past several years, that we have, once again, made several changes in an effort to make the conference as successful as possible for our exhibitors and participants.

Some of the features to this year's conference include:

- A Wednesday night vendor reception where exhibitors will have unimpeded access to conference participants to display your products and services. Food and a cash bar will be available during the event.
- A unique and interactive activity to encourage participants to interact with each exhibitor
- Greater amounts of space surrounding the exhibit booths to allow you to move around and engage the participants near your booth.
- Three distinct vendor areas and a variety of pricing options to meet your specific needs and improve your contact time with conference participants.
- A list of last year's attendees will be made available to exhibitors in advance so that you may correspond with them prior to the start of the conference.

Attached you will find the Terms and Conditions as well as the Application for Contract. In order to finalize your booth assignment, please sign and return the Application for Contract with the appropriate payment to PEHSC. Booth assignments will be allocated according to the Terms and Conditions.

Contracts from the hotel will be available shortly in order to accommodate any special services that you may need (electric, etc.). Overnight accommodations can be secured by calling the Holiday Inn Harrisburg/Hershey at (717) 469-0661.

We welcome your continued interest in Pennsylvania's Statewide EMS Conference and value the financial support that is provided by the exhibitors. If you have any questions, please don't hesitate to contact me directly at (717) 795-0740 or by email at [smrozowski@pehsc.org](mailto:smrozowski@pehsc.org).

Sincerely,

Steve Mrozowski  
Exhibit Coordinator
